COURSE DEVELOPER(S)

This course was developed by Gwendoline Aaron in collaboration with the Academic Technology Services Office for Dedman College. It follows the Dedman College Guidelines for Online Course Development.
COURSE DESCRIPTION

This course, FREN1401 (4 credits per term) Beginning French: term one, is a 5-week, fully online course. Students will meet synchronously virtually for verbal activities with two partners at the end of each week, but the majority of the work will be completed asynchronously on Canvas and iLrn.

PREREQUISITE

This course is reserved for students with no previous knowledge of French.

LEARNING OUTCOMES

COURSE LEVEL OUTCOMES (CLO)

Upon completion of the course a successful student will be able to do the following:

- **CLO 2 Reading**: Explain short, non-complex texts that convey basic information using familiar vocabulary and structures.
- **CLO 3 Speaking**: Express themselves in uncomplicated communicative situations related to familiar topics by responding to direct questions or requests for information, with responses typically consisting of short statements and discrete sentences.

- **CLO 5 Explore**: Compare cultural elements (practices, values, beliefs) of the Francophone world to their own culture (in English).

MODULE LEVEL OUTCOMES (MLO)

Throughout the modules in this course there are module-level outcomes listed. Next to each module level outcome (e.g., MLO 1.1) there is a number or numbers. That number or numbers correspond to the above course level outcomes (e.g., CLO 1). Everything you do in this course flows back to the course level outcomes.

**ACADEMIC INTEGRITY and the SMU HONOR CODE**

Southern Methodist University is very proud of being an honorable community of scholars. As a faculty member, I am very proud of this tradition and feel strongly that those who violate the honor code will be dealt with through the University Honor Council. Please take the time to read the [SMU Honor Code](http://www.smu.edu/Provost/ALEC/DASS).

In addition to adhering to the SMU honor code please be aware that I consider the following behaviors to be in direct violation of academic integrity: turning in papers and academic work that is not your own, turning in work you completed in another class almost verbatim, improperly citing content from other academic and non-academic sources, copying from others during exams and quizzes, utilizing unauthorized notes during exams and quizzes, relying on other students, family members, friends, or paid service to complete your assignments and exams. *If you have any questions about what constitutes academic dishonesty, please ask me!*

Please, also note that our World Languages and Literatures Department specifically wants to make it clear that any use of translation software that is not specifically authorized by the instructor constitutes cheating.

Finally, understand that all of your papers and assignments will be submitted through [Turnitin Plagiarism Detection Service](http://www.smu.edu/Provost/ALEC/DASS) via Canvas. Prior to submitting your
work you will have an opportunity to review your personal reports and correct any missing citations.
